

# Surviving Lockdown with Satchel One

Making it possible to hit the ground running with distance learning

J. Macphie Senior Development Officer PEF Forrester High School Forrester High School strive to ensure that all young people have access to tailored learning pathways that meet the needs of all our learners. We work closely to ensure our learners know how to progress their learning. This will enable them to gain the skills, experiences and qualifications they need to achieve a successful, positive and sustained destination on leaving school.

## How did you use Satchel One during the national lockdown to continue teaching and learning?

Every day we used Satchel One to communicate and issue home learning to our young people. Satchel One proved to be an invaluable resource throughout this time.

## How satisfied are you with your Satchel One experience so far?

Very satisfied!

### What is the greatest benefit your school has seen since using Satchel One?

The greatest benefit Satchel One offers us is how it allows staff, and parents, to track and monitor pupil progress.

## Why would you recommend Satchel to another school?

We feel it is very easy to use for all stakeholders and measures progress effectively.

#### Any additional comments?

During lockdown this was a godsend for the school. Because we had Satchel One in place we were able to hit the ground running with distance learning, meaning our pupils missed very little work.
