How satisfied are you with Satchel One?

Very satisfied!

How did you use Satchel One during the national lockdown to continue teaching and learning?

We set all remote learning work on Satchel One. It was the 'one stop shop' for students and parents, even if the content was elsewhere (Google Classroom / Mathswatch, etc...).

What is the greatest benefit your school has seen since using Satchel One?

- Greater engagement with home learning
- Greater parental engagement

Would you recommend Satchel to another school?

Absolutely, and I have done!
