Communication tools to help your school excel

Sawston Village  
College

Sawston Village College is an academy school in Sawston, Cambridgeshire and was founded in 1930. It is an 11-16 mixed academy of approximately 1050 pupils. The school

Sawston lists its values as, Unlocking potential, Creating opportunities and Achieving excellence, which it continued to show throughout the school's period of distance learning.

The school has been a Satchel One school since 2014 and used the platform as part of their distance learning strategy.

### What is the greatest benefit your school has seen since using Satchel One?

The platform is excellent for communicating with students and parents. It also makes tracking work easier and less time-consuming.

### Why would you recommend Satchel to another school?

Yes, Satchel has proven invaluable during lockdown and distance learning. It was a key component in our provision of education to students during this period.

### How satisfied are you with your Satchel One experience so far?

Satisfied!
