

Better Monitoring in Class

Taking the guesswork out of classroom management

P. Bowman
Assistant Headteacher
Southend High School
for Girls

Southend High School for Girls is an Outstanding grammar school in Essex. For over 100 years, the school has provided a first-class education and built a strong reputation for excellence.

The school's aim is for students to "step out of their comfort zones, take risks and learn from failure", and Headteacher, Jason Carey is, "passionate about developing confident, successful and happy young people – the next generation of leaders."

What is the greatest benefit your school has seen since using Satchel One?

Having a more consistent approach to setting homework, being able to monitor it and ensuring that parents are kept in the loop.

Why would you recommend Satchel to another school?

It's easy to use, with an intuitive interface. The platform provides an effective way to facilitate essential school systems, such as monitoring homework, behaviour, and general classroom management. It also helps to inform the way we monitor teaching and learning at our school.

How satisfied are you with your Satchel One experience so far?

Satisfied!
